Lior & Domini 'Animal in Hiding'

[Verse]

Tired limbs moving slow
The night is taking longer to let go
Treetops sway like dancers
In line and out of time
Til' the wind dies

[Chorus]

And morning withers
Away

[Verse]

Out of sight, birds take flight
Drawing arrows in the winter sky

I pull the shutters closed and smother the light
The darkness gentle upon my eyes
Ohhhh

[Chorus]

And morning withers
Away

[Bridge]

Days grow smaller
I fray

Animal in hiding
I need to, I need to be kind
When you don't know what you're fighting
You can lose your mind
